

1. Use the link provided on the <https://xray.chem.tamu.edu/reservations.php> webpage to navigate to the calendar.
2. Type your **username** (as used in the old calendar), and click on the **Login**

Please enter your username and password:

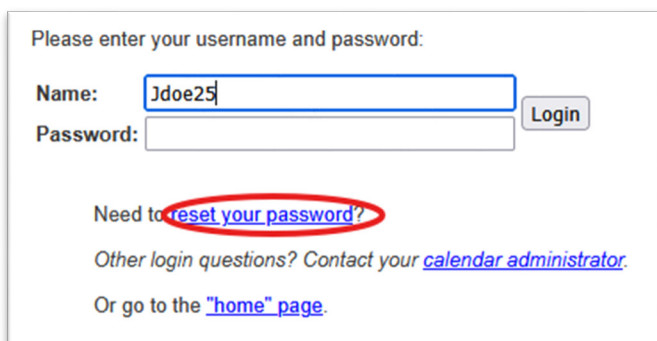

Name:

Password:

*Login questions? Contact your [calendar administrator](#).*

Or go to the ["home" page](#).

3. Click on the "reset your password?"

Please enter your username and password:

Name:

Password:

Need to [reset your password?](#)

*Other login questions? Contact your [calendar administrator](#).*

Or go to the ["home" page](#).

4. Type in the **email address** which you had **originally provided**. Then click on the **Send reset info**. Follow the instructions and the link you'll receive in your email.  
**Note:** If you enter a different email address than the one you originally provided, the reset procedure will not work.
5. If you still have problems resetting the password. Please do send your username and email address to me. I will reset and will send you the password.

Have fun.
